Insurance:

You are **required** to have your own travel insurance as a condition of attending the workshop. Travel insurance is relatively inexpensive and can protect you if you fall ill, need to cancel your trip due to unforeseen circumstances, or cover travel costs if you have to cancel during the workshop. We cannot be responsible for the cost of your place after the balance is paid, as we have our own costs which are non-refundable at that time.

We recommend World Nomads travel insurance but some countries have age restrictions so here is a useful overview of good alternatives:

Cancellation Policy: Your signature below is an acknowledgement that you understand and agree to our cancellation policy. If the trip is cancelled due to a lack of participation or a prohibition to enter France, all deposits and payments would be fully refundable.

- The initial deposit, is non-refundable.*

* unless we find someone to take your place in which case it would be fully refundable, less the credit card fee if applicable. Travel insurance should cover your refund if you must cancel..
