

# Trisha Adams Painting in Provence Workshop June 21-28, 2024

You are invited to join well-known artist Trisha Adams on this instructional workshop taking place during the lavender season in Provence France.

This will be an extraordinary small-group experience staying in a centuries-old villa in the heart of the picturesque Luberon.

This popular instructor has lessons and demos planned, and the small number of students (10 max.) means plenty of quality time and instruction with Trisha. You will be able to paint right from the property, with views to the hilltop villages of Lacoste and Bonnieux on either side. Focus on your art in an immersive and inspiring environment with like-minded friends and instruction that will move you forward in your artistic journey.

We offer a breakfast buffet that includes local seasonal fruit and other staples in addition to fresh croissant and bread every day. One additional meal each day (either lunch or dinner) is also included with nutritious, delicious food, and wine, or beverage of choice, at each meal. A transfer from the Marseille airport or the Avignon train station is included as is a visit to the Apt market (rated in the top 100 in France) and visits to nearby scenic hill-top villages.

The cost for the workshop is \$3500 per person.. This fee includes lodging (based on double occupancy) the airport or train transfer to the villa on the first and last days, 2 meals per day, and instruction daily with Trisha Adams. Space is limited, so sign up soon! Please contact [josievosoba@gmail.com](mailto:josievosoba@gmail.com) to reserve your spot. More details can be found on the website:
